

HYBRID EDUCATION IN VET 2021-2-PL01-KA220-VET-000050664

PROJECT START DATE AND END DATE
01/03/2022 -- 01/01/2025

THE OBJECTIVES AND AIMS OF THE PROJECT

The main objective of the hVET project is to prepare VET schools for the new, post-pandemic education by creating, testing and implementing a variation of a hybrid teaching model with a set of tailored tools, resources, materials for VET teachers, trainers, practitioners and students. The tools will support VET teachers to be effective in this new hybrid setting to drive participation and collaboration among students, boost students' motivation, inspire both pedagogical staff and learners despite educational disruptions.

The hVET project will aim to:

- create, test and implement a variation of hybrid model in VET schools
- support the effective transition of VET systems to the digital age through provision of innovative teaching and learning solutions
- increase inclusion and accessibility in hybrid setting, paying special attention to individuals from disadvantaged groups (digital exclusion, economic obstacles, rural areas)
 - encourage innovation, creativity in VET - development of professional skills for modern VET teachers
 - boosting students' engagement in online learning, development of self-motivation in learning
- strengthen cooperation between VET schools and stakeholders across project countries in order to stir innovation and ensure continuity of education regardless of circumstances, promoting flexible learning approaches
